# HIRING MANAGER SIGN-UP FORM

The screenshot shows a web browser window with the address bar displaying 'localhost'. The website has a green header with the 'DevHire' logo on the left and a 'Log in' button on the right. The background of the page features a person in a suit sitting at a desk with a laptop and a lamp. A white modal form is centered on the screen, titled 'CREATE HIRING MANAGER ACCOUNT' with a close button (X) in the top right corner. Below the title, a text block states: 'By clicking Log In, you agree to our terms. Learn how we process your data in our Privacy Policy and Cookie Policy.' The form contains three input fields labeled 'email', 'password', and 'confirm password', followed by a 'SUBMIT' button.

# DEVELOPER SEARCH USING INSOMNIA REST CLIENT WITH HARPERDB

The image shows a development environment with Insomnia REST client and VS Code. Insomnia is on the left, showing a POST request to `http://localhost:8000/get-developers` with a `hmInterest` header set to `developer`. The response is a 200 OK status with a 771 ms response time and 2.8 KB of data. The response body is a JSON array of developer objects. VS Code is on the right, showing the `index.js` file with the `getDevelopers` endpoint and the `foundDevelopers` variable. The terminal shows the output of the `console.log` statement.

**Insomnia - New Document - get-developers**
